ABOUT ME

I am an Interaction Designer with five years of experience designing, prototyping and developing user experiences on desktop and mobile applications.

I am motivated by a strong desire to identify, create and communicate experience within digital media.

WORK EXPERIENCE

UX/UI DESIGNER @ Royal Bank of Canada

May 2018 - January 2019

Worked within a cross functional team of engineers and led the visual strategy for the RBC Developer Automation Solutions team. As the team's UX developer, I created the user interface for the engineering team's desktop applications, user development for the teams prototypes and conducted product design for the team's brand identity.

CAST MEMBER/TEAM LEADER @ Cineplex Theatres

March 2015 - April 2018

As a team leader, I was responsible for the training of new cast members as well as the customer representative to ensure guests received the best possible service. Awarded employee of the month twice for my ability to mentor and lead others, while providing excellent customer service. As a leader of our Cast Team, my managers recognized my ability to problem solve and my versatility within complex situations.
